VIRTUAL TRAINING SERIES

ADDRESSING ANTI-BIAS AND ANTI-RACIST PRACTICES IN EARLY CHILDHOOD EDUCATION

SATURDAY, FEBRUARY 26, 2022

9:00–11:00am MST (Arizona Time)

Our country and state are still reeling from the twin pandemics: coronavirus and racial reckoning. The third pandemic is the devastation of early childhood schools and a workforce shortage. We must create a more equitable, fair, and just society, and move beyond gap gazing by addressing root causes.

In Dr. Iheoma Iruka's session, attendees will:

- Thread the issues of history, equity, and liberation in order to ensure that children, families, and caregivers are fully supported, valued, and rewarded
- Work with tools and resources to incorporate an anti-bias and racial equity lens in their work with children, families, and communities
- Dismantle racism and other systemic barriers

Dr. Iheoma U. Iruka

This training is free and open to all parents, family members, caregivers, professionals, and community members impacting kids.
