Comprehensive System of Personnel Development

April 5, 2022
10am-12pm

[Virtual Event on Zoom](#)

We are looking for parents and professionals from Head Start, early intervention, early childhood special education, institutes of higher education, partnering state agencies involved in Arizona's child care systems, and parents of children with disabilities.

We are looking for excited and energetic participants to join a workgroup and build the early childhood education personnel system to support children with disabilities and their families.
